# About HCF

The Holt Community Foundation (HCF) is a non-profit organization registered as a 501c3 charity with the IRS and State of Michigan. HCF was incorporated in January 2017 with the mission to unite individuals and groups who seek to improve the social environment for all who live, work, learn, and play in our community.

Our supporters will conduct charitable activities built on equity, inclusion, and enrichment. We will engage community members in the benevolent and generous mission to promote the welfare of others. To guide HCF in achieving its mission, the foundation will embark on activities aimed at its six pillars: **Education, Health, Environment, Arts and Music, Research, and Equality.**
